

NOTICE OF AMENDMENT

Issuance of Advisory Circular on Recency Programme for Air Traffic Controllers

Please be informed that the Advisory Circular (AC ATS-2) on Recency Programme for Air Traffic Controllers (ATCOs) has been issued.

The AC provides guidance to the Air Navigation Service Provider on the establishment of a recency programme for ATCOs. It includes the skill sets expected for each ATC rating, recovery measures for ATCOs whose recency may have lapsed, and additional safeguards to better assure the continued proficiency of ATCOs being deployed.

AC ATS-2 comes into effect on 1 January 2020, and can be found at our [CAAS website](#).

Please also note that AC ATCL-1(3) on Like-Type Groups for Air Traffic Controller Rating will be cancelled on 1 January 2020.
