

NOTICE OF AMENDMENT

Issuance of Advisory Circulars relating to Air Navigation (101 – Unmanned Aircraft Operations) Regulations 2019

Please be informed that the following Advisory Circulars (ACs) have been published on 30 December 2019.

1. AC 101-2-1 – Permits for Unmanned Aircraft Operations

This AC provides guidance on unmanned aircraft operations in Singapore that will require permit(s) such as the Operator and Activity Permits. This AC replaces AC-UAS-1.

2. AC 101-2-2 – BVLOS Operations for Unmanned Aircraft

This AC provides an overview of CAAS' assessment methodology for Beyond Visual Line of Sight (BVLOS) operations by unmanned aircraft in Singapore. This AC replaces AC UAS-2.

3. AC 101-5-1 – Registration of Unmanned Aircraft

This AC provides guidance for the registration of unmanned aircraft (UA) in Singapore. It includes information on the purchase of registration labels, online registration of UA and de-registration of UA.

These ACs can be found at our [CAAS website](#) and will take effect on 2 January 2020.

Should you have any suggestions or comments on the above ACs, please do not hesitate to provide your feedback to CAAS_Safety_Policy@caas.gov.sg.
