

NOTICE OF AMENDMENT

Publication of ACs relating to ANR-139, and revocation of MOAS, NOTAO and ASP

Please be informed that the set of Advisory Circulars (AC), listed in the table below, relating to the certification and operation of aerodromes have been published. These ACs provide information and guidance on compliance to the requirements in Air Navigation (139 – Aerodromes) Regulations 2023 (ANR-139), Aviation Specifications 5 – *Aerodromes* (AS-5) and Aviation Specifications 6 – *Heliports* (AS-6).

S/N	Subject	Notice. No
1	Guidance on the Application for, Renewal and Variation of an Aerodrome Certificate or Heliport Certificate	AC 139-1-1
2	Guidance on Aerodrome Manual or Heliport Manual	AC 139-2-1
3	Guidance on AIS Notification and Documentation requirements	AC 139-3-1
4	Guidance on Reporting and Investigation requirements	AC 139-3-2
5	Application for Deviation from Aviation Specifications	AC 139-4-1
6	Recommended Practices for Aerodromes	AC 139-4-2
7	Guidance on Changes to Aerodrome Operations	AC 139-4-3
8	Use of Pavement under Overload Operations	AC 139-4-4
9	Guidance on Development Works and Modification at the aerodrome	AC 139-4-5
10	Safety Performance Indicators and Target Monitoring	AC 139-5-1
11	Conduct of an Aeronautical Study	AC 139-5-2
12	Guidance on Wildlife Hazard Management at the aerodrome	AC 139-5-3
13	Guidance on Handling of Obstructions	AC 139-5-4
14	Guidance on Training and Competency Requirements of Operational and Maintenance Personnel	AC 139-6-1
15	Guidance on Framework for Safety of Ground Handling activities at the aerodrome	AC 139-7-1
16	Guidance on Movement in Airside	AC 139-7-2
17	Guidance on Emergency Planning	AC 139-7-3
18	Guidance on Human Factors Training for ARFFS	AC 139-7-4
19	Protection against Chemical Agents during ARFF	AC 139-7-5

20	Guidance on Disabled Aircraft Removal Plan	AC 139-7-6
21	Guidance on Runway Safety Team	AC 139-8-1

The ACs will take effect from 1 March 2023 and are available at the [CAAS website](#).

Please also be informed that the following will be revoked from 1 March 2023:

- Manual of Aerodrome Standards (MOAS)
- Notice to Aerodrome Operators (NOTAO)
- Aerodrome Safety Publications (ASP)

The material in these MOAS, NOTAO and ASP have been taken over by those in ANR-139, AS-5, AS-6 and the new ACs.
