

## **NOTICE OF AMENDMENT**

### **Amendment of Singapore Airworthiness Requirements and Singapore Airworthiness Requirements Part 145**

Please be informed of amendments to the following.

- **Singapore Airworthiness Requirements (SAR)**

The amendments to the SAR pertain to the following.

- (a) Deletion of Chapter 6.6 requirements on approval and responsibilities of non-destructive testing operators; and
- (b) Deletion of Appendix 1 to Chapter 6.6 – Syllabi of NDT Examinations.

Revision 29 to Issue 2 of the SAR will come into effect on 1 November 2018.

- **Singapore Airworthiness Requirements Part 145 (SAR-145)**

The amendments to the SAR-145 pertain to the following.

- (a) Adoption of the European Standard EN 4179 and National Aerospace Standard NAS 410 for the qualification and certification of Non-Destructive Test (NDT) personnel;
- (b) Where a NDT personnel is qualified in accordance with EN 4179 or NAS 410, addition of requirement for the SAR-145 organisation to nominate a Responsible Level 3 person acceptable to the DGCA; and
- (c) Requirement that from 1 November 2019, a SAR-145 organisation is to ensure that its NDT personnel passes examinations under the control of a National Non-Destructive Board (NANDTB).

Amendment 16 of Issue 1 of the SAR-145 will come into effect on 1 November 2018.

The SAR and SAR-145 are available at [CAAS website](#).
