

NOTICE OF AMENDMENT

Issue of Advisory Circular 145-12 Non-Destructive Testing – Testing, Qualification and Certification of Personnel

Pls be informed that Advisory Circular (AC)145-12 has been issued.

This AC follows the recent amendments to SAR-145 regarding the adoption of EN4179 and NAS410 for the qualification and certification of Non-Destructive Test (NDT) personnel. The AC provides guidance on the acceptable Responsible Level 3 person, and the associated qualification and certification programmes for NDT personnel.

The AC 145-12 is available at [CAAS website](#).
